

INTERMEDIATE ALGEBRA RUBRIC

Participation Rubric:

- 0 I just listened, or I made non-class related comments or blurted answers. Or, I was absent from class. (Absent participation points may be made up with the teacher before or after school).
 - 1 I answered questions when specifically asked a question, without blurting.
 - 2 I volunteered to answer questions, without blurting.
 - 3 I volunteered to answer questions, without blurting, and gave an explanation or justification for my answers.
- +1EC I volunteered solutions, explanations, or follow up questions, without blurting, that contributed to students' deeper understanding as a group. (alternative methods, etc.).

Note Taking Rubric:

- 0 Warm ups have no work shown. Notes are scattered and unorganized. Notes are hard to follow by others.
 - 1 Warm ups have some work shown. The topic covered is listed. Notes are scattered and unorganized. Problems and questions posed during the lesson have little or no work shown.
 - 2 Warm ups have some work shown. The topic covered is listed. Notes are organized, but are directly copied from the teacher's notes. Problems and questions posed during the lesson have most of the work shown.
 - 3 Warm ups have the complete work shown. The topic covered is listed. Notes are organized. Notes include not only the teacher's notes, but some additional questions or comments that the student may have, after attempting the homework and lesson questions.
- +1EC Warm ups have the complete work shown, with reflections for improvement. The topic covered is listed. Notes are organized with highlighted areas or cue column for important ideas. Additional questions and reflections or summary of major concepts are written in the student's own words.
